

Technical drawing of a mechanical part showing a cross-section. The drawing includes a dimension line indicating a length of $1=0.80 \pm 0.03$.

Technical drawing of a mechanical part, likely a flange or coupling, showing a cross-section. The drawing includes two views: a side view (left) and a front view (right). The side view shows a flange with a central hole and a series of radial slots. The front view shows the flange with a central hole and a series of radial slots. The dimensions are labeled as $M=6.25 \pm 0.3$ and $J=5.00 \pm 0.3$.
